

The Gift

Lea Salonga

Winter snow is falling down
Children laughing all around
Lights are turning on
Like a fairy tale come true

Sitting by the fire we made
You're the answer when I prayed
I would find someone
And baby, I found you

All I want is to hold you forever
All I need is you more everyday
You saved my heart from being broken apart
You gave your love away
And I'm thankful everyday
For the gift

Watching as you softly sleep
What I'd give if I could keep
Just this moment
If only time stood still

But the colors fade away
And the years will make us grey
But, baby, in my arms
You'll still be beautiful

All I want is to hold you forever
All I need is you more everyday

You saved my heart from being broken apart

You gave your love away

And I'm thankful everyday

For the gift

All I want is to hold you forever
All I need is you more everyday

You saved my heart from being broken apart

You gave your love away

Can't find the words to say

And I'm thankful everyday

For the gift
