

Big Fat Woman

Lead Belly

Say, Big Fat Woman get your fat legs off of me
Now you Big Fat Woman get your fat legs off of me
Now it feels so good, scare the hell out of me
Oh, Big Fat Woman with the meat shakin' on her bones
Yes Big Fat Woman with the meat shakin' on her bones
Ev'ry time she dance, skinny gal'll lose her home
She got great big legs, she got wanton thighs
Big Fat Woman got wanton thighs
Ev'ry time she moves, make my temp'rature rise
She's a fine lookin' woman, got great big legs
Big Fat Woman got great big legs
Ev'ry time she moves, move like a soft boil'd egg
I love you mama, goin' get me kill'd
Big Fat Woman goin' get me kill'd
Lovin', lovin', lovin' get this poor boy kill'd
