

But I Do Love You

LeAnn Rimes

G F C
1. I don't like to be alone in the night
G F C
And I don't like to hear I'm wrong when I'm right
G F C
And I don't like to have the rain on my shoe
G F C G F C
But I do love you, but I do love you

2. I don't like to see the sky painted gray
And I don't like when nothing's going my way
And I don't like to be the one with the blues
But I do love you, but I do love you

Ami E
R: Love everything about the way you're loving me
Dmi
The way you lay your head
C G
Upon my shoulder when you sleep
Ami
And I love to kiss you in the rain
Dmi C E
I love everything you do, oh I do

3. I don't like to turn the radio on
Just to find I missed my favorite song
And I don't like to be the last with the news
But I do love you, but I do love you

R: Love everything...

*: And I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoes
But I do love you but I do love you
But I do love you but I do love you
