

Can't Fight The Moonlight

LeAnn Rimes

Bmi **Emi**
Under a lovers' sky
A
Gonna be with you
G **F#**
And noone's gonna be around
Bmi **Emi**
If you think that you won't fall
A
Well just wait until
F#
Til the sun goes down

G **A**
Underneath the starlight - starlight
G **A**
There's a magical feeling - so right
G **Gmi**
It'll steal your heart tonight

Cmi
You can try to resist
Fmi
Try to hide from my kiss
B
But you know
As **G**
But you know that you can't fight the moonlight
Cmi
Deep in the dark
Fmi
You'll surrender your heart
B
But you know
As **G**
But you know that you can't fight the moonlight
As **G**
No, you can't fight it
It's gonna get to your heart

There's no escape from love
Was a gentle breeze
Weaves it's spell upon your heart
No matter what you think
It won't be too long
Til your in my arms
Underneath the starlight - starlight
We'll be lost in the rhythm - so right
Feel it steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know
But you know that you can't fight the moonlight
Deep in the dark
You'll surrender your heart
But you know

But you know that you can't fight the moonlight

As **G**

No you can't fight it

As **G**

No matter what you do

Ami

The night is gonna get to you

Don't try then

You're never gonna win

As **B**

Part of me the starlight - starlight

As **B**

There's a magical feeling - so right

As **B**

It will steal your heart tonight

You can try to resist

Try to hide from my kiss

But you know

But you know that you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know

But you know that you can't fight the moonlight

No, you can't fight it

You can try to resist

Try to hide from my kiss

But you know

Don't you know that you can't fight the moonlight

Deep in the dark

You'll surrender your heart

But you know

But you know that you can't fight the moonlight

No, you can't fight it

As

It's gonna get to your heart
