

Spirits In The Wind

Leatherwolf

Far, far away

I hear the echo in the wind
It knows how to make me fear
Again and again

Show me more than I'll ever see
Give me more than I'll ever need
Let me go and set me free

Spirits in the wind
Whoa-whoa-oh-oh-oh-oh
Spirits in the wind

And when I wake you're baby
I'll run my fingers through your hair
See all my fantasies
Is anyone there?

Show me more than I'll ever see
Give me more than I'll ever need
Let me go and set me free

Spirits in the wind
Whoa-whoa-oh-oh
Spirits in the wind
Spirits in the wind

Ah!

Ooh-ooh-ooh
Ahh-ahh-ahh
Ooh-ooh-ooh
Ahh-ahh-ahh

I close my eyes but I can see
The madness touched my sanity
I'll be you and you'll be me
Take me home or set me free

Will you wait for me
Or will you leave me now
To return again
I know you're coming back
But I'll never know when

Show me more than I'll ever see
Give me more than I'll ever need
Let me go and set me free

Spirits in the wind
Whoa-whoa-oh-oh-oh-oh
Spirits in the wind
