Elegy Teardrop on a fragile eyelash She's looking like a dream Hoping for some understanding And answer or at least Cunning word a single sentence To restore her heart Aching since the day I left her Crossing lonely seas Silent tears of a woman Make a warrior cry Heaven, I beg you Please release hopes from fears This is my elegy Do you know what I feel? This is my elegy Do you believe it's real? Will I hold you in my arms again? Dewdrops on a single rosebud This purity of rain Reminds me of the moment I left her Kisses filled with pain And if I should leave her waiting For another year Will she ever know the answer? Will she follow me? Silent tears of a woman Make her warrior cry Heaven, I beg you Please release hopes from fears This is my elegy Do you know what I feel? This is my elegy Do you believe it's real? Will I hold you in my arms.. Hold you in my arms again? Cunning word, a single sentence To restore her heart Aching since the day I left her Crossing lonely seas
