

Return to Life

Leaves' Eyes

Return To Life
Inside I feel life (aaah...)
I rise into your light (aaah...)
I rise and leave the dream behind
I'm returning to life
Returning to life (ooh...)
By the sound of your voice
And the love that you give
I see - I have found
How deep my roots have grown
I rise and leave the dream behind
Your arms open
I'm devoted
In sunshine and shadow
You love and protect me
I'm returning to life
I am back in your arms
Mother you give me hope
When I'm cold and alone
