Lecrae

I was like a zombie  
Till I was awakened  
Chasin' all the Barbies  
Tryna get the bacon  
Pull up in a new toy  
Feelin' like a rude boy  
Always acting brazy but my heart feel like a chew toy

Runnin' with my dogs, catchin' plays  
Take you on a trip down memory lane  
Pullin' pistols, stealin' momma's liquor  
Seventeen, I think I fell in love with a stripper  
Snortin', sippin', smokin' till I'm blown away  
Granny told me, "Wait on God, He on the way"  
Walkin' dead, I'm on the ledge, I'm praying I don't fall off  
Spirit interferin', now the new me 'bout to go off  
In the dark, yeah, I was in the dark, I swear you couldn't tell me nothing  
I was after flesh, I guess I was some type of zombie  
Demons used to haunt me  
Then I heard the voice of God, I'm grateful Jesus called me

I was like a zombie  
Till I was awakened  
Chasin' all the Barbies  
Tryna get the bacon  
Pull up in a new toy  
Feelin' like a rude boy  
Always acting brazy but my heart feel like a chew toy

I was like a zombie  
Zombie, zombie  
Zombie, zombie

It was dark deep within my heart, I wasn't livin'  
Mama stressed thinkin' I was next, they gon' get him  
Coulda died, coulda slipped, yeah  
Took a ride to the pen, yeah  
Granny prayers had it lit, yeah  
Aunt Shirley said I was gifted  
Runnin' 'round with my slime  
Throwin' up my gang sign  
Police came to arrest me  
Blockin' all of my blessings  
Hit the club, shorty told me I was young but  
I told her I'ma need a babysitter if she want to  
I was in the dark, yeah  
I was in the dark, I swear you couldn't tell me nothing  
I was after flesh, I guess I was some type of zombie  
Demons used to haunt me  
Then I heard the voice of God, I'm grateful Jesus called me

I was like a zombie  
Till I was awakened  
Chasin' all the barbies  
Tryna get the bacon  
Pull up in a new toy
