

## Dancing Days

Led Zeppelin

Dancing days are here again as the summer evenings grow  
I got my flower, I got my power, I got a woman who knows.

R: I said it's alright.

You know it's alright - I guess it's all in my heart

You'll be my only, my one and only.  
Is that the way it should start?

Crazy ways are evident,  
In the way that you're wearing your clothes  
Sippin'' booze is precedent as the evening starts to glow.

R: I said it's alright...

I told your mamma I'd get you home but  
I didn't tell her I had no car  
I saw a lion he was standing alone with a tadpole in a jar.

R: I said it's alright...

Dancing days are here again as the summer evening grows  
You are my flower, you are my power  
You are my woman who knows.

R: I said it's alright...
