

The Rover

Led Zeppelin

I've been to london, seen seven wonders.
I know to trip is just to fall
I used to rock it, sometimes I'd roll it.
I always knew what it was for.

There can be no denyin'
that the wind 'll shake 'em down
And the flat world's flyin'.
there's a new plague on the land

If we could just join hands (3x)

Traversed the planet when heaven sent me.
I saw the kings who rule them all
Still by the firelight and purple moonlight.
I hear the rested rivers call
And the wind is crying, from a love that won't grow cold
My lover, she is lying, on the dark side of the globe

If we could just join hands (3x)

You got me rockin' when I ought to be a-rollin'
Darlin', tell me, darlin', which way to go
You keep me rockin', baby, then you keep me stolen
Won't you tell me, darlin',
which way to go... that's right

Oh how I wonder, oh how I worry
and I would dearly like to know
I've all this wonder of earthly plunder
will it leave us anything to show

And our time is flyin' see the candle burnin' low
Is the new world rising, from the shambles of the old

If we could just join hands.
