

# Call Of The Wild

Lee Aaron

He's on the hunt tonight  
And he's armed with weapons of love  
And if it feels all right  
You know a shiver will run through his blood

He's got his eyes on you  
With a look that would turn ice to flame  
An' now you want him too  
And you find yourself calling his name

Oh no oh oh...  
You know you can't fight it  
You're helpless like a child...  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)

An' now he makes his move..  
And you welcome him into your arms  
What have you got to lose..  
When you're a victim, of 'is charms..

But you don't understand  
This feeling that's taking control  
For every woman an' man  
Sometimes they jus' got to let go...

Oh no oh oh...  
You know you can't fight it  
You're helpless like a child...  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)

When passion strikes, your heart tonight  
Give in, give in, to the call, of the wild...

Oh no oh oh...  
You know you can't fight it  
You're helpless like a child..  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)

When passion strikes, your heart  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)  
It's the call.. of the wild.. (call of the wild...)
