

Crawl

Lee Aaron

Your love does something to me that I can't describe
Dark eyes see right through me and I just can't hide
You drive me crazy with what you don't say and the way you hold
back love
Tell me tell me won't you please please tell me
Need an answer from above
There you are, You're my desire, and here I am
I'd be a liar if I said...

I ain't gonna crawl
You ain't gonna nail my heart to the wall
You ain't gonna find me crying like a child just asking for it
all
I ain't gonna beg, I'd rather lose it all instead
If that is what it takes to get you Part of me just might let
you
For someone like you, I'd do more than fall
I just might crawl

Seems like I get this feelin' this time of night
Head down senses reeling, something just ain't right
Imagination locked up inside and it's got nowhere to go
I see my lover through anothers eyes
And it's killing me to know the truth
Like playing with fire To lose you
I'd be a liar if I said...

I ain't gonna crawl
You ain't gonna nail my heart to the wall
You ain't gonna find me crying like a child just asking for it
all
I ain't gonna beg, I'd rather lose it all instead
If that is what it takes to get you, Part of me just might let
you
For someone like you, I'd do more than fall
I just might crawl

I ain't gonna crawl
You ain't gonna nail my heart to the wall
You ain't gonna find me crying like a child just asking for it
all
I ain't gonna beg, I'd rather lose it all instead
If that is what it takes to get you, Part of me just might let
you
For someone like you, I'd do more than fall
I just might crawl
