

Do I Move You

Lee Aaron

Do I move you? Are you willing?
Do I groove you? Is it thrilling?
Do I soothe you? Oh you gotta tell the truth now
Do I move you? Are you loose now?

The answer better be yeah
'Cause it pleases me

Are you ready, for this action?
Does it give you, does it give you satisfaction?
Are you hip to what I'm saying
Because if you are, let's start swayin'

The answer better be yeah
Oh, 'cause it pleases me

Are you ready, are you ready for this action?
Baby does it give you, does it give you satisfaction
Are you hip, oh baby are you hip to what I'm saying
Because if you are, let's start swayin'

The answer better be yeah
Oh ya know, ya know it pleases me yeah

When I touch ya, oh baby baby baby baby do you quiver
Ooh from your head, down to your liver
And if you like it, if ya like it ya know you gotta let me know
it
Don't be psychic, 'cause you'll blow it

The answer better be yeah
Great God Almighty, it pleases me
