

Eye For An Eye

Lee Aaron

Aw you can be what you want to be, (fine by me)
An' you can believe what you want to believe it's your (rivalry)
)
But if it's war you're askin' for just wait an' see
If I were you I'd watch my step
'cause what you give is what you get

It's an (eye for an eye), no love lost here
(Eye for an eye), an exchange of tears
(Eye for an eye), you'd best stand clear
It's (do or die), ya'd better believe it's an eye for an eye

Well ya think you're hot want to call the shots you won't (shoot me down)
Seen your kind too many times won't (push me 'round)
Two can play rough if you're gonna get tough you're on dangerous ground
This could be your last mistake..
'Cause there ain't no time for give an' take

It's an (eye for an eye), no love lost here
(Eye for an eye), an exchange of tears
(Eye for an eye), you'd best stand clear
It's (do or die), ya'd better believe it's an eye for an eye

Don't push me too far...
Oh don't take it so hard..
If we can't walk away
We can't keep hurting, each other this way..

(Eye for an eye)
(Do or die)

(Eye for an eye), no love lost here
(Eye for an eye), an exchange of tears..
(Eye for an eye), you'd best stand clear
It's (do or die), (better believe it's an) (eye for an eye)

Long lost tears baby oh...
(Eye for an eye)
Exchange of tears
(Eye for an eye)
You'd best stand clear
'Cause it's (do or die)
