

# Tom Boy

Lee Aaron

I like to hang out barefoot  
I like to wash my car  
I'm like the hidden candy  
In your cookie jar  
I'm like the lightning tale  
Of a shooting star  
I'm a forty proof stuffed in your minibar  
I like to wear my boyfriend's belt em nice an  
I'm more like Greta Garbo than Marylin Monroe  
What I lack in fancy  
I make up in mojo  
I don't care if you think I'm  
Cause I'm a tomboy tomboy  
Whoa oh oh  
Yeah I'm a tomboy tomboy  
Whoa oh oh oh  
Cause I'm a tomboy tomboy  
Whoa oh oh  
You should be free to be exactly who you are boy  
I like to spin my vinyl  
Give me old school rock  
Ecstasy and  
Six pistol poppycock  
I'm like whistling dixie with a sling shot  
Don't girly girly I'm a Jedi knight  
OhIi can climb  
I can swirl a bear  
You keep on ta ta talking  
Up the atmosphere  
I'm into quantum physics

Then you're not really here  
I like it raw baby no venir  
Cause I'm a tomboy tomboy  
Whoa oh oh  
Yeah I'm a tomboy tomboy  
Whoa oh oh oh  
Cause I'm a tomboy tomboy  
Whoa oh oh  
You should be free to be exactly who you are  
Boys like girls and girls like boys  
Some make love and some destroy you  
This whole world is full of joy  
Who says who love who is making noise  
(no talking now)  
(no talking now)  
(no talking now)  
I'm not into fuschia  
It's way too loud for me  
You gotta chose the right shade for you personality  
I'd rather shoot an arrow  
Than have a tea party  
I'm not buying into all your  
Cause I'm a tomboy tomboy  
Whoa oh oh  
Yeah I'm a tomboy tomboy  
Whoa oh oh oh  
Cause I'm a tomboy tomboy  
Whoa oh oh  
You should be free to be exactly who you are  
When you're a tomboy tomboy  
Whoa oh oh

a tomboy tomboy

Cause you're a tomboy tomboy

Whoa oh oh

You should be free to be exactly who you are

You should be free to be exactly who you are

You should be free to be exactly who you wanna be
