

The Story Of My Life

Lee Ann Womack

I don't ever want to be afraid,
To walk the world in my own way.
I don't want to ever lose my faith
In all the little simple things.
And even if it all falls down,
I know it'll come back around.

I never wanna not believe,
That someone has a plan for me.

Live every moment as if, its the last one.
Find all the love deep within, give it away.
Be thankful for all that I've been given.
From now on, this is how I want to write,
The story of my life.

I wanna turn the pages of the past.
Take what I've learned and then never look back.
Still I never want to get too far ahead,
Or worry about how the story ends.

Live every moment as if it's the last one.
Find all the love deep within, give it away.
Be thankful for all that I've been given.
From now on, this is how I want to write,
The story of my life.
