

# There Is A God

Lee Ann Womack

Try and put your arms around  
the 100 year old tree  
Climb up on a horse  
and let it run full speed  
Take a look down at the world from 30,000 feet  
on your next flight

Watch a flock of birds  
against the morning sun  
Close your eyes and listen  
to the river run  
Catch a firefly in your hand  
or a raindrop on your tongue  
That's right

There is a God  
There is a God  
There is a God  
How much proof do you need?

Plant a seed and see  
what comes out of the ground  
Find the heartbeat on your baby's ultrasound  
In a few years hear it laughing,  
and don't it sound like a song?

Stop and think about  
what you don't understand  
Things like life and love  
and how the world began  
Hear the doctor say he can't explain it,  
but the cancer is gone

There is a God  
There is a God  
There is a God  
How much proof do you need?

Science says it's all just circumstance  
Like this whole worlds just an accident  
But if you want to shoot that theory down,  
Look around

Just look around

There is a God  
There is a God  
There is a God,  
How much proof do you need?

Oh there is a God  
There is a God  
There is a God  
How much proof do you need?
