

# Parking Lot Party

Lee Brice

John's firing up his Coleman grill  
We've got twenty four tall boys on the chill  
Yeah, fourteen of them's mine  
A little Marshall Tucker on the radio  
(Can't you see)  
You know we're just catchin' a little groove before the show  
We ain't playin' nothin' slow

At the parking lot party  
Tailgate buzz just a-sippin' on suds  
Ain't never too early  
To light one up, fill up your cup  
'Cause there ain't no party like the pre-party  
And after the party at the after-party  
At the parking lot party

Well, the openin' band is doin' sound check  
Man, they sound pretty good  
Hell, I ain't even bought no tickets yet  
Yeah, but that's alright, we don't care  
'Cause all the pretty girls are sittin' right here  
Kickin' back in lawn chairs

At the parking lot party  
Tailgate buzz just a-sippin' on suds  
Ain't never too early  
To light one up, fill up your cup  
'Cause there ain't no party like the pre-party  
And after the party at the after-party  
At the parking lot party

Aw, pass me the chicken wings, now.

Whoa-oh-oh-oah  
Old Tom is pullin' his guitar out  
Whoa-oh-oh-oah  
It's about time to pass that 'shine around  
Hey-ey-ey-ey  
Show's about to start, but we ain't about to leave  
Hey-ey-ey-ey  
It's one hell of a time, and it's all for free

At the parking lot party  
Tailgate buzz just a-sippin' on suds  
Ain't never too early  
To light one up, fill up your cup  
'Cause there ain't no party like the pre-party  
And after the party at the after-party  
At the parking lot party

Aw, c'mon, now  
Parking lot party  
They're gonna have to tow my ass out of here

Parking lot party  
Oh, man, damn, girl

Parking lot party  
Whoo-ooh!  
Parking lot party

Think I've ever seen that before, Lord  
Hey-ey-ey-ey

At the parking lot party  
Tailgate buzz just a-sippin' on suds  
Ain't never too early  
To light one up, fill up your cup  
'Cause there ain't no party like the pre-party  
And after the party at the after-party
