

Never Let You Go

Lee Carr

Never Let You Go (2x)

Everything a Man Can Want
Baby Girl Is Outta Control
It Ain't Hard To Tell Shes Fine As Hell
From Her Head Down To Her Toes
Shes So Incredible (Totally)
Outta Control (It Can Be)
Whatever You Want
Baby a Few Months
Swear I Never Let You Go

[Hook:]

Usually I Maintain
But Your Beauty I Can't Ignore
It's a Conincedence
That Your Remind Me Of Everything I Really Want
It's So Increidable
From Your Head To Your Toes
Baby You S Fine If You were mine
Id Never Let You Go

[Chorus:]

Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On (2x)

Too Hard To Handle
Too Cold To Hold
For Better Or Worse
You'll Always Be First Babe
Your The Only One I Want
And Everything in Life I Loved
The Closet To My Heart
No Matter Right Or Wrong
Rich Or Poor
Id Never Let You Go

[Hook:]

Usually I Maintain
But Your Beauty I Can't Ignore
It's a Conincedence
That Your Remind Me Of Everything I Really Want
It's So Increidable
From Your Head To Your Toes
Baby You S Fine If You were mine
IId Never Let You Go

[Chorus:]

Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On (3x)

Never Gonna Let It Go (Everything I Dream)
Shes Outta Control (All That I Need)
Never Gonna Let It Go (Out To Night)
Shes Outta Control(I'll Never Know)

Never Gonna Let It Go (Out To Night)
Shes Outa Control(I'll Never Know)
Never Gonna Let It Go
Gonna Let It Go
Gonna Let It Go

[Chorus:]

Hold On Never Let You Go
You Give Me A Reason For Everthing
[?] For Me To Hold On (4x)
