

## Green With Me

Lee DeWyze

It's up to you  
It's up to me  
All of us  
One at a time

And they'll turn off all the lights in the world  
And we'll be fine, we'll be find

Our world as we know has gone green  
Don't let it pass you by  
And we keep on turning round in circles

Don't you ever wonder why  
We get older  
Pass it down to younger eyes  
And we keep on going on  
And we keep on going on

Go green with me  
Go green with me  
Go green with me

Stop and stare at the world around you  
As it's flying back  
Wind is singing  
Trees are dancing

Clouds romancing the sky  
And we keep on going on  
And we keep on going on

Go green with me  
Go green with me  
Go green with me  
Go green
