

# Let Go

Lee DeWyze

Why does it feel like we're alone?  
Whoaaa oh, whoaaa oh  
When we're at home  
Don't mind the sound it's fleeting now  
Whoaa-oh, whoaa-oh  
I turned it down

Fighting just to pass the time  
Oh oh, letting go, letting go

Shadows cast have stayed too long  
Whoaa-oh whoa-oh  
They Carry on  
So I shine a light to make them leave  
Whoa-oh - whoa-oh  
How they deceive

Fighting just to pass the time, I know  
Oh, Oh, letting go, letting go

Ever wonder where they've gone?  
Whoa-oh whoa-oh  
They Carry on  
I'm sure we'll meet again some day  
Whoa-oh, whoa-oh  
When you're away

Fighting just to pass the time I know  
Oh oh - letting go  
Fighting just to pass the time I know  
Oh oh Letting go

Why does it feel like we're alone, alone  
When we're at home  
Fighting just to pass the time I know  
Oh oh, letting go  
Falling just to pass the time I know  
Oh oh, letting go
