Hold on a minute now, just for a second, wait I have it figured out This is a big mistake

What do you think, do you think I did? What do you think it is?

Throw me overboard

Let's see if I sink or swim

Throw me overboard

It's not what you think it is

Throw me overboard

Let's see if I sink or swim

Hold on a moment now, just for a second wait I am a prisoner, this is my great escape

What do they think, do they think I did?

Is this any way to live?

Take the deepest breath

Throw me overboard Let's see if I sink or swim

Throw me overboard

It's not what you think it is

Throw me overboard Let's see if I sink or swim

Throw me overboard Let's see if I sink or swim
