

Treat Her Like A Lady

Lee DeWyze

All my friends had to ask me
Something they didn't understand
How I get all the women
In the palm of my hand
I told them

Treat her like a lady
Do the best you can do
You've got to treat her like a lady
She'll give in to you
Oh Lord, now you can see you know what I mean

I know you love her like a woman
And soon take advantage of you
So let me tell you, my friend
That ain't no substitute
You oughta

Treat her like a lady
Do the best you can do
You gotta treat her like a lady
She'll give in to you
Oh Lord, now you see you know what I mean

Oh, you've got to love her (love her), tease her (tease her)
But most of all you've got to please her (please her)
You've got to hold her (hold her), want her (want her)
And make her feel that you'll always need her (need her)
You know a woman (woman) is sentimental (woman)
And so easy (woman) to upset (woman)
So make her feel (feel) that she's for real (real)
And she'll give you happiness
Oh strange as it seems
You know you can't treat a woman mean

So my friend, there you have it
It's an easy, simple way
And if you fail to do this
Don't blame her if she looks my way
I'm gonna

Treat her like a lady
So affectionately
I'm gonna treat her like a lady
She'll give in to me
Oh Lord, now you can see you know what I mean
You gotta

Treat her like a lady
Do the best you can do
You gotta treat her like a lady
She'll give in to you
Oh Lord, now you see you know what I mean

(Treat her like a lady)

Treat her like a lady
(Do the best you can do)
You gotta treat her like a lady
She'll give in to you.
