

When She Dances

Lee DeWyze

Isn't she lovely
When she, when she dances
But it's not for you

I never thought
I'd be the one in this situation
And I never wanted to
So I found

Isn't she lovely
When she, when she dances
But it's not for you

I never thought
I'd be the one to break you
And I never wanted to

Isn't she lovely
When she, when she dances
But it's not for you

I never thought I'd be
Isn't she lovely
And I never wanted

Isn't she lovely
When she, when she dances
But it's not for you
