

These Boots Are Made For Walkin'

Lee Hazlewood

(Here's a little song bout boots and a darlin' named Nancy)

You keep a sayin' you got something for me something you
call love but confess
You've been a messin' where you shouldn't been a messin'
(that's right)
And now someone else is a gettin' all your best
These boots are made for walkin' and that's just what
they'll do
One of these days these boots are gonna walk all over you
[bass]
You keep lyin' when you oughta be truthen
And you keep loosin' when you ought enough bad
You keep a sam'in' when you oughta be changin'
Now what's right is right and you ain't been right yet
(listen to me)

These boots are made for walkin'...
[horns]
You keep a playin' where you shouldn't be playin'
And you keep thinkin' that you'll never get burned
Well I've just found me a brand new box of matches
And what he knows you ain't that time to learn

These boots are made for walkin'...
