

When A Fool Loves A Fool

Lee Hazlewood

I know you'll hurt me and it's such a crying shame
Cause when I'll die with my last breath I'll call your
name

I never thought you'd be so cruel
Lemme tell you that happens when a fool loves a fool

With every breath I take with every kiss I kiss
With every tear I cry there goes my happiness
I never thought you'd be so cruel
Lemme tell you that happens when a fool loves a fool

Well I can't live without you but I don't know what I'm
gonna do about you
I'm weak and the God knows who's to blame
Well I love and want you near me but you never could seem
me hear me
You gonna mess around and drive me insane

I cry and cry and cry you just walk away
You lie and lie and lie and I come back to stay
I never thought you'd be so cruel
Lemme tell you that happens when a fool loves a fool
[horns]
Well I can't live without you...
Lemme tell you that happens when a fool loves a fool
