

# A Change Is Gonna Come

Leela James

I was born by the river  
In a little tent  
And gorgeous like the river  
I've been runnin' ever since

It's been a long  
A long time coming  
But I, I know a change gonna come  
Ooh yes it will

It's been to hard living  
But I am afraid to die  
Cause I don't know what's up there  
Beyond the sky

It's been a long  
A long time coming  
But I, I know a change gonna come  
Ooh yes it will

There's been times that I thought  
I wouldn't last for long (naw)  
But somehow  
I think I'm able to carry on

It's been a long  
A long time coming  
But I know, I know a change is gonna come  
Ooh yes you will

And then I go to my mother  
I said mother could you help me please?  
She said: I'd like to, I really would  
But I'm just not able  
Then I looked around  
And I was right back down  
Down on my knees

There's been times that I thought  
I wouldn't last for long  
But somehow  
I think I'm able to carry on

It's been a long  
A long time coming  
But I know, a change gonna come  
Ooh yes it will
