

# Don't Mean a Thang

Leela James

You, you should be what I thought I need, I needed  
And I believed that you do no harm, but I was wrong, so wrong  
And honestly, I don't know if this is real, is it real  
'Cause I'm feeling something but it ain't good for nothing  
If we gon' be, you gotta give me everything

Don't make no promises to me that won't get my love  
You can't just tell me anything, no, no-oh  
Although I love when we kissing and hugging  
And you tell me those sweet [?]  
Those things don't mean, don't mean a thing  
You gotta show your love  
Words don't mean, don't mean a thing  
You gotta prove your love to me

Now, tell me where do we go from here, my dear  
'Cause we're in too deep, but is this meant to be  
Are you the one for me  
And I'm not gonna precious time, my, my  
If it ain't good for something, it ain't good for nothing  
And if we ain't gon' be, we should live this thing alone

Don't make no promises to me that won't get my love  
You can't just tell me anything, no, no-oh  
Although I love when we kissing and hugging  
And you tell me those sweet [?]  
Those things don't mean, don't mean a thing  
You gotta show your love  
Words don't mean, don't mean a thing  
You gotta prove your love to me

Whoa, whoa, whoa, whoa, oh  
Whoa, whoa, whoa, whoa, oh  
Whoa, whoa, whoa, whoa

Those things don't mean, don't mean a thing  
You gotta show your love  
Words don't mean, don't mean a thing  
You gotta prove your love to me

You gotta prove your love to me  
Prove your love to me  
Show your love to me  
Show your love to me  
You gotta prove your love to me
