

# Good To Love You

Leela James

It's so good to have you baby  
And it's so good to have you  
I don't know what I'd do without you  
Ooh  
See there's something about the way  
That we felt together, you know  
Yeah I know

Oh there's something bout your love, about your loving  
It's so real to me, oh so real, so real  
Ooh the way you make me feel inside  
Is something, is something to me, oh

From the day I laid eyes on you  
I fell for you  
It's like I already knew  
Oh, I already knew  
A once in a lifetime love  
A sweet melody, perfect harmony, you and me, ooh

So good to love ya (So good)  
So good to need ya baby (So good)  
So glad to have you, so glad that you're in my life  
So good to love you (So good)  
So good to be your baby (I'm glad to have ya)  
I've got to have ya

Oh you've given me your good love [?]  
And I can't deny (I can't deny)  
Oh, and I like, and I like, and I like the things you do  
Girl you make me smile, yeah

From the day I laid eyes on you  
I fell for you  
It's like I already knew  
I already knew, yes I did  
A once in a lifetime love, oh  
A sweet melody, perfect harmony, you and me, ooh

So good to love ya (So good)  
So good to need ya baby (So good)  
So glad to have you, so glad to have you in my life  
So good to love you (You know it's so good)  
So good to be your baby (Oh, so good)  
I've got to have ya (You make everything alright)

You came  
You came in my life  
You came in my life, yeah  
Made everything alright  
Made everything right  
You were meant for me  
And you for me, yeah  
I'm so happy that I have you

I got you baby, oh-whoa  
I got you baby, oh your good love

And your good stuff

Oh you're giving your good love, all the good stuff, all your good stuff  
Oh you're giving your good love, all your good stuff

So good to love you  
So good to need you baby (Yeah, I need you baby)  
So glad to have you, I've got to have you  
I'm glad to have you in my life, yeah-yeah  
So good to love you (So good)  
So good to be your lady (I'm glad you're my lady)  
I've got to have ya (I've got to have you in my life)

So good to love (So good, so good)  
To love you baby  
So glad to have you in my life  
And I'm so glad to be your love  
And be your lady  
So good to be your man  
...
