Sippin'

Leela James

I'm sippin' on this love you servin' me

I'm sippin' on this love you servin' me
You got the special potion just for me
I'm twisted, I'm so high
What'd you do to me?
You hooked me

Got me so high (High)
I can touch the ceiling (Hey)
It ain't just in my mind (Mind)
Sure love is a real thing
Baby, you're my whole mood
You got me in my feelings
I'm intoxicated
I feel faded, ooh

I wanna stay up on your love
Never come down from your love
Always, all day, okay, ooh
Sippin' on your love

I'm sippin' on this love you servin' me
You got the special potion just for me
I'm twisted, I'm so high
What'd you do to me?
You hooked me

Loaded off of your love
I'ma call it what it is, yeah
I'm so gone, gone
You can't reach me at this distance
I'm on cloud nine, I'm fine, sittin' right here, baby
I'm intoxicated off you, baby

I wanna stay up on your love
Never come down from your love
Always, all day, okay
Sippin' on your love

I'm sippin' on this love you servin' me
You got the special potion just for me (Just for me)
I'm twisted, I'm so high
What'd you do to me? (Twisted)
You hooked me (I'm sippin' on your love)
I'm sippin' on this love you servin' me (Servin' me)
You got the special potion just for me (Just for me)
I'm twisted, I'm so high
What'd you do to me? (What you do to me?)
You hooked me

I need another hit (Hit)
Satisfy my fixing, my fixing
You got the dope (Dope, dope, dope)
And I gotta have more (More)
I'm so addicted to you
Strung out over you, ohh

All I wanna do, oh-ooh
Sippin'

I'm sippin' on this love you servin' me (You servin' me)
You got the special potion just for me (Just for me, just for me)
I'm twisted, I'm so high
What'd you do to me? (What you do to me?)
You hooked me (Ooh, sippin' on)
I'm sippin' on this love you servin' me (Servin' me)
You got the special potion just for me (Just for me)
I'm twisted, I'm so high
What'd you do to me? (What you do, what you do to me?)
You hooked me

I'm so high, what'd you do to me, do to me?
I'm so high, what'd you do to me, do to me?
Sippin' on your love, love, love
