

This Day Is For You

Leela James

The more I give you the more you want in return, mmh
I try to show you love but you don't wanna love, no baby
What's the point of this if we can't get it right, oh baby?
Can't you see that I need you in my life, baby?

Don't make it hard for me baby
I just wanna love you (Love you)
Let me love you (Love you)
Let me love ya
Let me love ya
Let me love ya

Why you make it so hard for me, baby?
And why you push me so far away, baby?
Can't you see that I'm always down for you?
I'd rather die for you and give my life for you
Can't you treat me the same way too? Baby, oh, oh

Don't make it hard for me baby
I just wanna love you (Love you)
Let me love you (Love you)
Let me love ya
Let me love ya

I don't wanna fight with you (No not tonight)
I don't wanna cry about it (No tears, no tears, no tears)
But what am I supposed to do? (Do)
'Cause we can't be together like this (No, no)

You know I love you, yes I do
But if you keep on taking me through this
I'll do what I have to do, say goodbye to you, bye
I'll get over you, I'll get over you
You, you, you

Don't make it hard for me baby
I just wanna love you (Wanna love you)
Let me love you (Let me love you, oh)
Let me love ya
Don't make it hard for me baby
Don't make it hard
I just wanna love you (Just wanna love you)
Let me love, let me love you, love
Let me love ya
Let me love ya
Let me love ya
Let me love ya
Let me love ya, oh
