

# You're The One

Leela James

Twenty-four hours  
Twenty-four hours  
Really ain't enough time, yeah  
Ain't enough minutes  
Ain't enough minutes  
To tell you what is on my mind, mmh

Your touch lights me up  
And the way that we vibe  
I can do this all night, mmh  
You're all that I want  
That's the reason why I  
Know for sure

You're the one (you're the one)  
You're the one (you're the one, you're the one, you're the one) (you're the one)  
You're the one that treats me right, just the way I like  
You're the one (you're the one, you're the one, you're the one) (yeah)

What were you thinking?  
What were you thinking?  
Loving me the way you do, babe  
You're giving me reasons  
You're giving me reasons  
To keep me falling hard for you, hey

Your touch lights me up  
And the way that we vibe  
I can do this all night  
You're all that I want  
It's the reason why I  
Know for sure, oh

You're the one (you're the one)  
You're the one (you're the one, you're the one, you're the one)  
You're the one that treats me right, just the way I like  
You're the one (you're the one, you're the one, you're the one)

Mmh, musta been the way that you talked, talked to me  
It musta been the way that you set, set me free  
It musta been the way that you rocked my body  
Baby, do it for me, best believe you're the one

(You're the one, you're the one, you're the one)  
You're the one that treats me right (you're the one that)  
You're the one that treats me right (treats me right, woo)

You're the one  
You're the one (you're the one) (you're the one, you're the one, you're the one) (you're the one)  
You're the one that treats me right, just the way I like  
You're the one (you're the one, you're the one, ooh, you're the one)  
(You're the one, you're the one, you're the one)  
You're the one (treating me right, yeah) (you're the one, you're the one, you're the one)  
(You treat me right, yeah)

One that treats me right, just the way I like (you're treating me right, yeah)
