

Give Myself to You

Leigh Nash

Let your blood and mercy poured
Let your blood and body broken
Be to me oh Lord
Be to me oh Lord

I live because you died
Precious Lord you came to save me
Oh you gave me life
Oh you gave me life

Now I give myself, I give myself to...

You are everything I need
You're the air I breathe
The melody I sing
You are all I want to see
You're my holy King
You're everything to me

Have my gift oh blessed one
All repentance I can offer
Love is surely won
Love is surely won

By the thorns that crowed your brow
I can claim your love unfailing
I'm in freedom now
I'm in freedom now

And I give myself, I give myself to...

You are everything I need
You're the air I breathe
The melody I sing
You are all I want to see
You're my holy King
You're everything to me

You are everything I need
You're the air I breathe
The melody I sing
You are all I want to see
You're my holy King
You're everything to me

Humbly I will worship You
The author of all life

And I give myself, I give myself to...

You are everything I need
You're the air I breathe
The melody I sing
You are all I want to see
You're my holy King
You're everything to me
