

Dinosaurchestra Part Three

Lemon Demon

Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.

We can't return to present.
(uh oh, uh oh, uh oh)
This may be less than pleasant.
(uh oh, uh oh, uh oh)

What's that rock way up in the sky?
That's our friend, Super Duper Meteor!

Does this mean we're all gonna die?
Shook my Magic 8-Ball, and it said...

"As a powerful and complex computer of near omniscience, I can report with total confidence, after a careful .3 seconds calculating a whole world of probability and statistics, that yes, we are all gonna die."

Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.

We'll all be blown up real soon.
(uh oh, uh oh, uh oh)
But not before we're in tune.
(uh oh, uh oh, uh oh)

Won't you be a good dinosaur?
We must be before we're not.

Treat these creatures to an encore.
One last time is all we've got.

So,
let's rock out in a Dinosaurchestra!

And let's all shout in a Dinosaurchestra!

Let's have fun in a Dinosaurchestra!

One last time before we have to...

Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
(Before we have to die!)
Dinosaurchestra. Dinosaurchestra.
Dinosaurchestra.
(Before we have to die
in a super-colossal explosion
and all become fossils

for people to dig up some day!)

Dinosaur
punk.
Dinosaur
rap.
Dinosaur
ska.
Dinosaur
country.
Dinosaur
blues.
Dinosaur

Dinosaur
