

She's So Gone

Lemonade Mouth

Insecure, in her skin, like a puppet girl on a string,
Broke away, learn to fly, if you want her back you
gotta
let her shine,
So it looks like the joke's on you, cause the girl
that
you thought you knew,

She's so gone, that's so over now, She's so gone, you
wont find her around,
You can look but you wont see the girl I used to be,
cuz she's, she's so gone,

Here I am this is me, and I'm stronger than you ever
thought I'd be,
Are you shocked? Are you mad?, that your missing out on
who I really am,
Now it looks like the jokes on you, cause the girl that
you thought you knew,

She's so gone, that's so over now, she's so gone, you
wont find her around, you can look but you wont see the
girl I used to be cuz she, she so gone away, like
history, she's so gone, baby this is me... yeah...

She's so gone, that's so over now, she's so gone, you
wont find her around, you can look but you wont see,
the girl I used to be cause she's she's so gone
She's so gone, you can look but you wont see the girl I
used to be cause she's... she's so gone

She so gone, she's so gone...

So long, she so gone.... gone, gone, gone.
