

Length Away

Lemuria

I'm miserable with you,
I'm more miserable without you.
I stay it's length away (3x).
I miss you. (2x)
You know that I miss you.

I spend more time missing you,
Than kissing you.
'Cuz I'll stay, it's length away from you.
I stay it's length away (3x).
I miss you. (2x)
You know that I miss you.

I stay it's length away (3x)
From you.
I'll stay it's length away (3x)
From you.
