

# Yellowstone Lady

Lemuria

Mile City, Montana  
Driving east on 94  
A dozen I gotta write  
I know what about, not sure what for  
Yellowstone lady  
What if I stop here  
Settle down on a prairie  
Maybe down in Laneddeer  
If you'll have me

Maybe you will join me  
And be my Yellowstone lady  
Maybe you will join me  
And be my Yellowstone lady

Mile City, Montana  
Driving east on 94  
A dozen songs I gotta write  
I know what about, not sure what for  
Yellowstone lady  
What if I stop here

Maybe you will join me  
And be my Yellowstone lady  
Maybe you will join me  
And be my Yellowstone lady

Drag you out of Jersey  
To be my Yellowstone lady  
Yellowstone lady  
What if I stop here
