

Light Skin Girl from London

Lenny Kravitz

She's unique and complete
And with the dog will sleep
She loves to read, she drew her feet
And she drew Jesus too

Oh yeah
Light skin girl from London
Light skin girl from London

She understands
She'll read your hands
And take the future right outta your plans
She'll let you in, but she won't take you where she lives

Oh no, light skin girl from London
Light skin girl from London
Yeah, yeah, yeah

She's got style but all the while
She dances to the beat out of time
She often cries, and she can speak to you
Through her mind

Oh, no, no, no, no
Light skin girl from London
Light skin girl from London, yeah

Light skin girl from London
She's a light skin girl from London
She's a

She's a light skin girl from London
She's a light skin girl from London, yeah, yeah
She's a light skin girl from London, oh, yeah, yeah
She's a
