I've been so many places in my life and time

I've sung a lot of songs

I've made some bad rhymes

I've acted out my life on stages with ten thousand people watch ing

But we're alone now and I'm singing this song to you

I know your image of me is what I hope to be, I've treated you unkindly

But Darling can't you see There's no one more important to me Baby, can't you see through me, 'cause we're alone now

And I'm singing this song for you, you taught me precious secre ts

Of a true love withholding nothing, you came out in front When I was hiding,

But now am so much better

An if my words don't come together, listen to the melody 'Cause my love is in there hiding

I love you in a place where there's no space or time, I love yo u from my life

Your a friend of mine, and when my life is over Remember, when we were together

We were alone, and I was singing this song to you

I love you in a place where there's no space or time, I love yo u from my life

Your a friend of mine, and when my life is over Remember, remember when we were together We were alone, and I was singing this song to you

We were alone, and I was singing this song to you. We were alone, and I was singing this song to you.
