Lazy Days

Leona Naess

Why can't you be with me Watching American TV? We'll order in Chinese And ask the world to stay away, please

These hotels grow so stale Telling the same ass-tale By the time I get to you I'll be too tired to

Soak up some lazy days No one can rain on our parade Standing here beneath the shade Of our love

Let's slide down the avenue Like good New Yorkers do Maybe then I'll believe When you give, man, you receive

Soak up some lazy days No one can rain on our parade Standing here beneath the shade Of our love

Wide-eyed and stupid I'm waitin' for the arrows of cupid Wide-eyed and stupid I'm waitin' for the arrows of cupid Wide-eyed and stupid I'm waitin' for the arrows of cupid Wide-eyed and stupid I'm waitin' for the arrows of your love Your love Your love

Soak up some lazy days
