

## Purple Onion

Les Claypool

A purple onion...  
Purple Onion...  
Purple onion everybody laugh now  
Purple onion everybody cry  
Purple onion lookin' down at B.O.B.  
When he crashed his motorcycle and he died  
Old Bob Zimmerman knew the purple onion  
Purple onion gave ol' Bob five  
Purple onion yankin' like a freight train  
Shoot white tears up into the sky  
Purple onion  
A purple onion...
