

# Baby That's Me

Lesley Gore

Tonight you took Mary to the dance  
Oh gee I give just anything for that chance  
Maybe someday you will see  
All the things that I could be

Ah baby that's me  
Baby that's me  
Baby that's me

She always tells me just how nice you are  
And how you kiss goodnight in your car

But maybe someday you will see  
All the things that I want to be

Yes, baby that's me  
Baby that's me  
Ah baby that's me

Ohh but maybe someday you will see  
All the thing that I want to be

Ah baby that's me  
Yes, baby that's me  
Ah baby that's me
