

# I Don't Care

Lesley Gore

If you found another girl  
I don't care  
If you think you love the girl  
I don't care

Just don't start your lying  
Cause I know I'll start crying  
Now that you are free  
Let me be

I don't care except when the day is through  
That's when I'll remember you  
The things you do

Take her to the places where we used to go  
Introduce her to the friends I used to know  
If she asks about me tell her you can live without me

Tell her anything, everything

I don't care except when I'm with someone new  
Everything we say and do reminds me of you

I don't care  
I don't care

If you only want someone to have a little fun with  
You know where I'll be, come to me

I don't care  
I'll throw my pride away  
If I ever hear you say  
Come back to stay
