

# I'll Be Standing By

Lesley Gore

(I'll be standing by)  
Whenever you need me, baby  
(I'll be standing by)  
Whenever you want me, honey  
(I'll be standing by)  
Whenever you call me, sugar

Whenever you need me, I'll be there  
Whenever you need me, I'll be there

Let the forewinds blow  
Let 'em blow, let 'em blow  
As hard as they can  
If dust gets in your eyes  
My baby, don't you cry  
'Cause I'll be standing by

(I'll be standing by)  
Whenever you need me, baby  
(I'll be standing by)  
Whenever you want me, honey  
(I'll be standing by)  
Whenever you call me, sugar

Whenever you need me, I'll be there  
Whenever you need me, I'll be there

Let the hard rain fall  
Let it fall, let it fall  
As hard as it needs  
Don't run under a tree  
Let your shelter be me  
'Cause I'll be standing by

Come on now

(I'll be standing by)  
Whenever you want me, honey  
(I'll be standing by)  
Whenever you need me, baby  
(I'll be standing by)  
Whenever you call me, sugar

Whenever you need me, I'll be there  
Whenever you need me, I'll be there

(I'll be standing by)  
Come on, come on, hear me, baby  
(I'll be standing by)  
Oh, say you want me, honey  
(I'll be standing by)  
Come on, come on, call me, sugar

Whenever you need me, I'll be there  
Whenever you need me, I'll be there

(I'll be standing by)

Oh, need me, need me, baby  
(I'll be standing by)  
Oh, say you want me, honey  
(I'll be standing by)
