## **My Foolish Heart**

## **Lesley Gore**

The night is like a lovely tune Beware my foolish heart How white the ever constant moon Take care my foolish heart

There's a line between love and fascination That's hard to see on an evening such as this For they both give the very same sensation When you're lost in the magic of a kiss

His lips are much too close to mine Beware my foolish heart But should our eager lips combine We let the fire start

For this time it isn't fascination Or a dream that will fade and fall apart It's love, this time it's love My foolish heart

This time it isn't fascination
Or a dream that will fade and fall apart
It's love, this time it's love
My foolish heart
My foolish heart
My foolish heart...
