

No Matter What You Do

Lesley Gore

Well, I know I shouldn't love you boy
And I know I shouldn't care ooh yeah
But every time you are next to me

I know this is how love is meant to be
Oh, yeah my head goes around and around yeah
And all lovin comes tumbled on down

I know I always be in love with you
No matter what you do

I know I feel so mixed up inside
Cause I know I'm not your only girl
But even though you'll leave me
When I'm around you

I don't know right from wrong
Oh yeah my head goes around and around yeah
And all lovin comes tumbled on down
I know I always be in love with you
No matter what you do

But even though you'll leave me
When I'm around you
I don't know right from wrong
Oh yeah my head goes around and around yeah
And all lovin comes tumbled on down
I know I will always be in love with you
No matter what you do
