

On A Day Like Today

Lesley Gore

On a day like to day
I should be lovin you
And you should be lovin me
All alone is a drag
With nothin to do

There's no one who I wanna see
And I'm tired looking out my window
Livin in a nowhere day dream
On a day like today
I should be lovin you

There's a guy down the hall
Trying to get to me
He knows that you went away
But he's wasting his time
He just doesn't see
That you're on my mind every day
And the more I think about your lovin

The more I felt to have you with me
On a day like today
I should be lovin you

On a day like today
I should be lovin you
And you should be lovin me
All alone is a drag
With nothin to do

There's no one who I wanna see
And I'm tired looking out my window
Livin in a nowhere day dream
On a day like today
I should be lovin you

On a day like today
I should be lovin you
On a day like today
I should be lovin you
