

Punk's Not Dead, Jesus Is

letlive.

This town cosigned to the mayor's wife
In agreeance not to spread disease,
But mayor's a slut so we're moving in we're moving in,
So open up the church and see the priest and alter boys share d
isease,
Don't worry it won't last forever

Now who the fuck is the fucking judge?
On the sidewalk of the courthouse that accused me

He's got the whole world in this hands, but we fell through the
holes

I asked the blessed Mary Virgin and all the angels and saints a
nd you my
Brothers and sisters to pray for me to the lord our god
God bless you tanner
And we're faithful, and we'll wait
And we're faithful cause we know
We can all be faithful because god's a slut
