**Letters to Cleo** 

And as I stood in the place where I once saw a friend standing, I didn't mean to run away from you. I almost lost the chance to save myself.

Mellie's coming over, she's coming over, Mellie's coming over, yeah.

Not really lucid but wide awake, a kind word to snap me out of it is all that I know it would take from you, if I knew you really wanted to.

Mellie's coming over, she's coming over, Mellie's coming over, yeah.

Hey, where's everybody going? I can't stay here all alone when it's been such a long time since I've had this much to say. Hey, where are you going? You can't leave me alone and I guess I feel a little silly but Mellie, can't you stay a little while?

Mellie's coming over, she's coming over, Mellie's coming over, yeah.

Mellie's coming over, she's coming over, Mellie's coming over, yeah.
