

Cassandra

Leven Kali

Perfect situation
Played it in my mind
Perfect entertainment
Always something different
Always down to drive
Tell me when you're ready

Oh, she's getting closer
Oh, she's getting closer
I've been waiting, baby
Getting so impatient lately
Oh, she's getting closer
Oh, she's getting closer
I just want one thing
I don't care 'bout them

I'm asking for Cassandra (Hey, baby)
Bring me what I need right now, right now (Right now, right now)
Oh, Cassandra, yeah
Bring me what I need right now, right now (Right now, right now)

Perfect situation
Played it in my mind
Perfect entertainment
Ayy, yeah, uh
Hop up in my spaceship
There's two seats inside
Pick your destination
Girl, I'm down to ride, oh, oh

Oh, she's getting closer
Oh, she's getting closer
I've been waiting, baby
Getting so impatient lately
Oh, she's getting closer
Oh, she's getting closer
I just want one thing
I don't care 'bout them

I'm asking for Cassandra (Hey, baby)
Bring me what I need right now, right now (Right now, right now)
(It's what I need, it's what I need, oh, right now)
Oh, Cassandra, yeah (Cassandra)
Bring me what I need right now, right now (Right now, right now)

Yeah, why you take so long, babe?
You don't check your phone, babe
And I call a lot, I need that Hilton top, babe
Pedal to medal, on another level
And we sparking birds
Don't you fuck around and catch a swerve, babe

Oh, she's getting closer
Oh, she's getting closer
I've been waiting, baby
Getting so impatient lately
Oh, she's getting closer

Oh, she's getting closer
I just want one thing
I don't care 'bout them

I'm asking for Cassandra (Hey, baby)
Bring me what I need right now, right now (Right now, right now)
Oh, Cassandra, yeah (Cassandra)
Bring me what I need right now, right now (Right now, right now)

Ooh, bring me what I need right now
